

Cutex Ultra-Powerful with 98% acetone for glitter, gel nails*, and hard-to-remove color

*TO REMOVE GEL NAILS:

1. Using a nail file, gently buff away the clear top coat.
2. Soak cotton ball with remover and place on top of nail. Tightly wrap aluminum foil around cotton and nail and wait 10-15 minutes.
3. Remove foil and scrape off any remaining polish with an orange or wood stick.
4. Wash hands and buff nails for a smooth finish.
